

Laptop Request Process

Overview

This document details the step-by-step process for requesting a laptop at Acme Corp, whether for a new hire, replacement, or additional device.

For New Hires

The laptop request for new employees is initiated by the hiring manager. Follow these steps:

Step 1: Submit Request

1. Navigate to the IT portal: it.acmecorp.com
2. Click “Onboarding” → “New Equipment Request”
3. Complete the following fields:
 - Employee name and email
 - Start date
 - Job title and department
 - Reporting manager
 - Laptop preference: Dell Latitude 5540 or MacBook Pro (M4)
 - Additional accessories needed
4. Attach the signed offer letter (HR will provide)
5. Click “Submit”

Step 2: Manager Approval

- The request is routed to the hiring manager’s manager for approval.
- Approval is typically granted within 24 hours.
- If rejected, the request is returned with comments.

Step 3: IT Processing

- IT processes approved requests within 2 business days.
- The laptop is imaged with standard software and security tools.
- Equipment is tested before release.

Step 4: Pickup or Shipping

- On-site employees pick up equipment from the IT desk (Building A, 2nd Floor).
- Remote employees receive equipment via FedEx overnight.
- Tracking information is sent to the employee’s personal email.

Urgent Requests

For requests with less than 5 business days’ notice:

1. Mark the request as “Urgent” in the portal.
2. Call IT directly at extension 4200.
3. IT will prioritize and typically fulfill within 1 business day.

For Laptop Replacements

Damaged or Malfunctioning

1. Submit an IT support ticket describing the issue.
2. IT will diagnose remotely or in person.
3. If replacement is needed, a loaner is provided immediately.
4. New laptop arrives within 3 business days.

Upgrade Requests

1. Employees are eligible for a laptop upgrade every 3 years.
2. Submit a request through the IT portal.
3. Manager approval is required.
4. IT schedules the migration and data transfer.

For Additional Devices

- Second monitor: Available upon request with manager justification.
- Specialized equipment (e.g., 4K monitor, Wacom tablet): Requires VP approval.
