1. Compensation Philosophy

Acme Corp is committed to providing competitive compensation that attracts, motivates, and retains top talent. Our compensation structure is based on market benchmarks, individual performance, and internal equity.

2. Salary Structure

2.1 Base Salary

Base salaries are reviewed annually during the performance review cycle (December). Adjustments are based on: - Market salary data from industry surveys - Individual performance rating - Budgetary guidelines approved by management

2.2 Salary Bands

Each position grade has a defined salary band (minimum, midpoint, maximum). The midpoint represents the market-competitive rate for fully competent performance.

2.3 Probationary Salary

Employees during probation receive 85% of the position's starting salary. Upon confirmation, the salary is adjusted to 100%.

3. Bonuses and Incentives

3.1 Annual Performance Bonus

Eligible employees receive an annual performance bonus based on: - Company performance (weight: 30%) - Department performance (weight: 20%) - Individual performance (weight: 50%)

Target bonus ranges by grade: 1–3 months of base salary.

3.2 Referral Bonus

Employees who refer a successful candidate receive a referral bonus of \$1,000 (paid after the referred employee completes probation).

4. Allowances

4.1 Meal Allowance

All employees receive a meal allowance of \$50 per working day.

4.2 Transportation Allowance

Employees who commute more than 10 km to the office receive a transportation allowance of \$100 per month.

4.3 Phone Allowance

Roles that require business communication receive a phone allowance of \$50 per month.
